## SELECT WORK EXPERIENCE

### Co-Founder/CEO, Pest OS

Hanover, NH, January 2026 – present

- Built B2B SaaS creating AI CSRs for Pest Control and Wildlife Control companies, currently doing \$6K ARR after launching January 10, 2026; won Dartmouth's Magnuson Center Founder's Grant
- Drove client results at Estate Wildlife Control: AI booked or transferred 36 jobs worth \$43,200 in one month, including \$19,200 recovered from 16 after-hours calls
- Pitched AI to C-Suite clients, analyzing client and industry problems to build custom voice solutions
- Drove the full sales cycle: prospected operators via cold calling, ran product demos, and closed first paying customer

### Venture Capital Analyst, GHC Partners

Virtual, May 2025 – Present

- Led GHC's alternative LP fundraising initiative, individually building 3 databases tracking PRIs, Emerging Manager Programs, and DAFs with 100+ potential LPs across the US and Northern Europe, while assisting in applying for SBIC recognition to facilitate bank investment
- Performed in-depth macroeconomic research included in three LP reports and conducted market and investment analysis alongside senior partners to inform investment decisions
- Built an automated LP outreach system using Claude API, Claude Code, and Gmail MCP, generating personalized email drafts at scale for 700+ targets and cutting manual drafting time significantly

### Strategic Investment Advisor, Ligo Partners Family Office

Virtual, September 2025 – November 2025

- Built out proprietary deal flow using LinkedIn and Crunchbase to independently source and evaluate growth-stage venture tech deals and presented strong candidates to Ligo Partners Investment Committee
- Cultivated relationships with FOs and angel investors to unlock co-investment and direct investment opportunities
- Served as Junior Investment Panelist while concurrently managing GHC position and full-time academic coursework

## ENTREPRENEURIAL INITIATIVE

### Founder of Arboro, TuckLAB: Entrepreneurship at Tuck School of Business

Hanover, NH, March 2025 – June 2025

- Developed a B2C reforestation platform, Arboro, working as head of finance and business strategy with a team of four
- Awarded 1<sup>st</sup> place in 6 Minute Pitch Challenge, 1<sup>st</sup> place in Value Proposition Challenge, 1<sup>st</sup> in Product Development Challenge, 3<sup>rd</sup> place in 2 Minute Pitch Challenge, and 3<sup>rd</sup> place overall out of 16 teams

### Owner/Operator, The Gratefull Bed Company

Hanover, NH, October 2023 – November 2025, <https://www.gratefullbed.com>

- Purchased ownership share of GBC to experientially learn about small business management
- Managed bed delivery and installation process across campus, working to provide a positive customer experience
- Increased profitability annually while navigating new competitors on campus

## LEADERSHIP

### Ski Instructor, Dartmouth Skiway

Hanover, NH, January 2026 – March 2026

- Managed safety assessments and risk mitigation for daily groups of 20 clients in dynamic environmental conditions
- Delivered tailored coaching to a diverse client base, driving repeat business and supporting revenue growth
